

## JOURNEY OUT ANNUAL WALK & COMMUNITY AWARENESS FESTIVAL

Saturday October 7, 2017

### The Journey Out Annual Walk for Freedom & Community Awareness Festival

*We will be walking for Freedom*

*We will walk to raise awareness*

*We will walk to build solidarity*

*We will walk to end exploitation*

*We will walk to prevent another from falling victim to sex trafficking*

Journey Out intends on highlighting just how much of a public health and human rights epidemic sex trafficking is in Southern California, where it is both a transnational and domestically homegrown problem, at the upcoming **Annual Walk & Community Awareness Festival**.

The event will include a symbolic walk along one of the most active "tracks" of exploitation in Los Angeles County, as well as vendors, live music, spoken word poetry, and other performances that will help to share the stories of those who have endured the abuse and exploitation of modern sex trafficking. Additionally, there will be door prizes, and opportunity to learn about service available through our community partners,

**The event will be taking place on Saturday October 7, 2017 at Woodley Park,  
located at 6335 Woodley Ave, Van Nuys, CA 91406 from 9AM-3PM.**

Sponsors of the event include: Bully Awareness Network, The Broad Museum, La Brea Tar pits & Natural History Museum, Jet Blue, Rocklord Studio, Ripley's Believe It or Not, Skirball Center, and The World Famous Laugh Factory.

Community partners, include: The Jenesse Center, Inc., Strength United, Volunteers for America, Black Women For Wellness, BGB Studios, St. John's Well Child & Family Center's Prevention, Risk- Reduction, Intervention, Medication and Education (PRIME), and LA County District Attorney's Office Victims Assistance Program.
